Canada Small to Medium Consultants Package Terms and Conditions

Terms and Conditions applicable to this pricing package are given below.

- This pricing is applicable only to independent Environmental Consultants.
- Payment is annually in advance by credit card or invoice & EFT.
- Quotes, Purchase Orders, Completion of Supplier Portals and Review of Supplier Terms and Conditions are not available within this Subscription Level. If you require this you will need to upgrade to an Enterprise Subscription.
- Completion of bespoke Security, Modern Slavery, Governance and similar surveys is not available at this Subscription Level. ESdat has policies and standard documentation addressing these and similar requirements which can be provided on request.
- All logins are for "Named Users". A Named User is one person. Multiple people using a single login is not permitted.
- This pricing includes storage of up to 5 million Chemistry Result records. Organisations can choose to archive completed projects or upgrade to a higher tier.
- Signup is based on these Terms supplemented by the Basic Terms and Conditions at https://support.esdat.net/ESdat_Online/ESdat_Online_Basic_Terms_Conditions.html
